### **VBS Clinic 2020**

#### ***Fair Park Baptist Church***

**March 2<sup>nd</sup> at 6 p.m.**

As everyone knows, the ARVBA hosts one of the few Associational Vacation Bible School Clinics in the state. Ours is recognized as one of the best around and this year will be no exception. Mrs. Wendy and team are already busy constructing props, crafting decorations, and learning songs/dance moves. As usual, Clinic attendees will be treated to a hands-on experience with all the material, see decoration ideas and suggestions, take part in a scaled down version of the VBS Worship Rally and enjoy a dinner provided by the Association.

Our goal is to make the annual clinic as practical as possible because we want it to be worth your while to attend. With all the changes coming to LifeWay VBS this year, this may just be the most important Vacation Bible Clinic in years!

Bring your Pastor, VBS Director or even your whole team and let's make VBS Clinic 2020 an event to remember!

Go to the website, rest on the Resources button, click on VBS and you will find even more information!
