Something happened during our first year in the Delta that touched the lives of more than a thousand people but the miracle actually began a month earlier. The Holy Spirit moved at ARVBA Church Camp that year in an extraordinary way and many revived and energized Youth Campers charged the Delta determined to do good stuff for the Lord. And they did just that.

Church congregations were revitalized, communities were reached as never before, pastors and their families were encouraged as they had not been in a very long time. Some of your mission team were invited to stand on the stage at the State Convention as one Delta pastor shared what having the ARVBA Missions Team at the church did for their congregation and community.

You are invited to be part of this year's Assoc. Mission Trip!
