It's a Four-Association Event This Time!

Ken Braddy, Lifeway Resources Director of Sunday School and Network Partnerships will kick off our annual training this year with all new presentations and relevant insight into Sunday School and Small Group Revitalization.

As in years past, Teach 28:20 will feature a focused time of teacher/leader training on Saturday and will include breakout sessions, large group instruction, and question/answer time. Lunch is included and will be followed by the remaining training sessions. Training begins at 8:30 and we will conclude no later than 2 o'clock but the leaders will hang around a bit in case you have any questions.

The conference will feature breakout sessions for children, student ministry, adults, Sr. Adults and more! (See below). Being able to share ideas with fellow teachers and leaders is one of the highlights of this conference.

Let's Celebrate! On February 25th, churches from all four Associations will move their Sunday evening service to 1st Pottsville for a joint Celebration/preaching event where we will be challenged to implement all that we learned on Saturday. **Dr. Rex Horn** will bring the message and our own Caleb Reynolds will lead the evening worship service.
