

ARVBA/Kansas City Mission Trip

July 15-22

*Cost \$50**

In March of 2015, 6 representatives from the ARVBA were invited to participate in one of NAMB's Send Cities Vision Tours.

After a whirlwind two day adventure, our own vision began to take form and a three to five year partnership with the Kansas City Church Planters began. In August of 2017, the ARVBA sponsored a 5-day, 4 event mission adventure involving all of our Recreation Ministry resources. The week was awesome!

This year, we are looking at doing 5 events in 4 different locations and with at least 4 different people groups. We will have a dedicated kitchen staff for our morning and evening meals and have all the hot-dogs and popcorn we can eat while working the events.

This missions event is open to all ARVBA churches, their members, and any guests we they might invite. The cost is only \$50.00 per person and the destination is only 6-7 hours away! A link to our "Google Forms" sign up sheet can be accessed from the Association website (rest your mouse on the "News & Events" tab then click 'ARVBA Missions'. Or, click here
