V. New Business:

A. Other: _____

B. Other: _____

VI. Motion to Adjourn

VII. Announcements

VII. Prayer Requests _____

ARVBA
Executive Board Meeting Agenda
September 15th, 2020

A.M. Report

Like most of our churches, we are still trying to figure out how to do ministry during a world-wide pandemic. Almost every Associational Missions project was postponed or canceled and there is very little that can be done except to begin preparing for next year's opportunities. To that end, we will be talking to our Camp Committee, Kansas City Missions Team, and 'One Day' Leadership team in anticipation for ARVBA 2021.

I have been pretty active in visiting and/or supply preaching at various ARVBA churches. Those include, 1st Knoxville, Calvary Baptist, Ard, and others.

By the time this meeting convenes, we will have enjoyed the first of a three-Sunday major event for our Association. On September 13th, & 20th, 2nd Russellville is hosting an area wide Prayer & Evangelism Conference. The training, encouragement, and resources we receive on those two days will then be put to good use as the Arkansas River Baptist Association churches jointly celebrate the first ever "ARVBA Day Of Prayer". Each of our churches from largest to smallest is encouraged to adopt September 27th, as a day to incorporate various prayer emphases' and opportunities into their worship and bible study schedules.

This special Sunday emphases will, of course be followed by 'One Day: Serve Local' activities all over our association and state on Saturday, October 3rd. Can you imagine the impact three weeks of concerted, focused prayer will have in our church fields?!

I hope every single ARVBA church will embrace the conference and Day of Prayer because, after all, (to echo Allan Taylor) "Who's Kingdom are we building anyway?"

Please remember to pray for Bro. Richard Snyder as he slowly recovers from the Covid virus. While his bride (obviously the stronger of the two!) was finally able to come home, Bro. Richard is entering his 6th week in the hospital.

Looking forward to getting back to as near normal as is possible,

Associational Missions Strategist
